Check/ PO # _____ Total Due _____ Dates Requested: _____

*Both qualify for 10% Pre-Pay discount when Payment received before the first day of class.

** In order to be certified, both the Primer online course and the Fusion 1 day course must be taken. Fusion is the one day course after completing the Primer and includes the written test.

We now accept major credit cards. We will call for payment information when sending the manual.

In order to receive a full refund, cancellations must be made 5 days before the course date.

The Pool Math Book (Spanish available) helps to prepare you for the course - only \$19.95.

GENERAL INFORMATION

CPO Manual, map of area and directions will be mailed to attendees about 10 days before class starts. Attendees must bring the manual and a calculator to class.

Class size is limited so register early. Classes with less than 10 applicants, may be canceled, rescheduled or combined.

Contract/Corporate Classes are available for 10 to 25 students. Please call for information.

INSTRUCTOR

Michael Dilley has been in the pool management and operations field for over 35 years and a Red Cross Instructor/Instructor Trainer for over 40 years. He has operated private, city, county and state aquatic facilities. He was first trained as a pool operator in 1967 at Ft Hood, Texas, has been a Certified Pool Operator for 28 years and teaching the CPO class for 20 years.

He is available for consulting, seminars, facility inspections and training for individuals or groups.
